Dear Mr Wooding

Thank you for once again sending a very generous donation of **£430.51** to the Leukaemia Research Fund, raised from your recent boat rally held at Holt Farm, Napton.

We really are very grateful indeed to you all for your efforts on our behalf. Our nation-wide research programme is aimed at finding causes and cures for leukaemia and the related diseases and looking at ways to improve existing treatments. We are also able to offer a full range of literature to individuals and health organisations, free of charge, as well as providing an information service from our head office in London. We are entirely dependent upon voluntary contributions and this tremendous support of our work is truly splendid, and enormously encouraging to us all.

With best wishes.

Yours sincerely

Claire Wild
