Dear Michael

Please thank all your members for the donation of £445, which was given me when Neil and Angela called at my "Christmas Shop in the lounge" on Friday.

We are always pleased to receive money from events held locally to swell our Branch funds, but of course it all ends up in the same pot at HQ and I am not one who loses a lot of sleep if it does not come our way, I have known Neil all my life as I was at school with his mother and his father who sadly died of Leukaemia was the son of close family friends.

As I am sure you are aware, the need for research is as great as ever and very costly so it is up to us to keep it funded. The LRF is especially proud of its low admin costs, this being possible as all fundraising is voluntary.

Many thanks again

Yours sincerely

*Janet Haynes*
