Dear Michael

Please find enclosed receipt for the very welcome cheque of £541.70 which Neil and Angela brought with them today.

Well done. It is a splendid total and I know Neil appreciates your continued support of the Fund.

We are still very busy, this year seems to have been one long year of fundraising with varying results, so it was great to receive your hefty cheque.

Many thanks to everyone who contributed and I hope they all enjoyed themselves.

Your sincerely
